Avram Entities (AE) LLC-S Receives Skip \$1,000 Instant Credit Grant— Expanding Access to Business Growth Tools

Indianapolis, IN — October 21, 2025 — Avram Entities (AE) LLC-S, a local small business with a dual focus but one heartbeat, is pleased to announce it has been awarded a \$1K Instant Credit Grant from Skip.

The Skip Instant Credit Grant is a random drawing open to small business owners nationwide. Rather than a typical cash award, this grant provides AE with \$1K in Skip credits—a cash equivalent that can be used to cover the costs of a range of business services and tools on the Skip platform, such as website creation, 1-on-1 consulting, or annual membership that opens the door to larger grant opportunities and more.

In a company statement, AE shared:

Winning this grant expands our toolbox with cutting-edge resources and expertise. We're thankful to Skip for supporting early-stage and community-minded businesses with practical options to fuel growth and innovation. This \$1K credit award will help AE swiftly advance its efforts to stabilize operational processes—deepening its impact and ensuring better stewardship of the communities it serves.

AE's Legacy Division is committed to providing clean, comfortable living spaces at practical pricing. The Creative Division will be launched to help entrepreneurs through brand design and messaging strategy.

We look forward to continuing to work with Skip!
